

2026 Music on the Divide
High School Senior
Scholarship Application

Applicant's name _____

Please submit the requested information in a neatly typed format.

1. Describe your musical background. When did you begin to study music - and with whom? How long have you studied your instrument(s)? What are the names of some of the pieces you sing or play, and who composed them?
2. Describe your specific plans to study music after high school. What are your college plans? Also comment on the role you see music playing in your long-term future.
3. List any musical groups and performances in which you have participated. Also include competitions, honor bands, and special music awards.
4. You must include at least one recommendation (but no more than three) from a person acquainted with your musical abilities (not a family member). Provide each person's email and phone number so that we can contact him or her..
